Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner indicated that the claims would be in allowable condition if the claims were amended to remove the parenthesis and the phrase "as represented by" in claims 1 and 12, and if the generic terminology "human embryonic retina cells" was inserted to provide generic terminology for the trademarked term "PER.C6" cells. The Applicant agreed to the amendments, and indicated that an Examiner's Amendment would be acceptable.
